The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
U.S. House of Representatives

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Rumford Fire Station project in Fiscal Year 2022.

The entity to receive funding for this project is the Town of Rumford, located at 145 Congress Street, Rumford, ME 04276. Funding will be used to assist the Town of Rumford in the construction of a new fire station in a part of town with substandard housing and other conditions. This is critical because the current Central Fire Station in town was built in 1924 and is structurally compromised, with deep cracks in the concrete floor, foundation, and load bearing walls. These cracks, which first appeared decades ago, have seen a significant acceleration in growth over the past three years. The current facility does not allow for modern equipment to fit inside.

I certify that neither I nor my immediate family has any financial interest in this project.

Respectfully,

A handwritten signature in blue ink that reads "Jared Golden".
